GROW IN OUR HAPPY WORLD!

Happiness is growing with confidence

Nestled in the lush landscapes of Chikmagalur, AVR is a place where your child explores the world and discovers themselves in a safe space.

Here, children grow with purpose—becoming self-confident, self-sufficient and self-aware. Like the 'captured sunlight' of the amber gem, we light the way for your child to grow in more ways than one.

VISION

Amber Valley believes each young mind has the capacity and capability to succeed in every area of their lives.

MISSION

**21 YEARS
LEGACY**

TO BE A SCHOOL...

Which can make a difference to society.

Where learning is about lifelong learning skills, and nurturing life skills is the nucleus of who we are.

Where holistic, value-based self-development happens in a challenging & purposeful learning environment on a sustained basis.

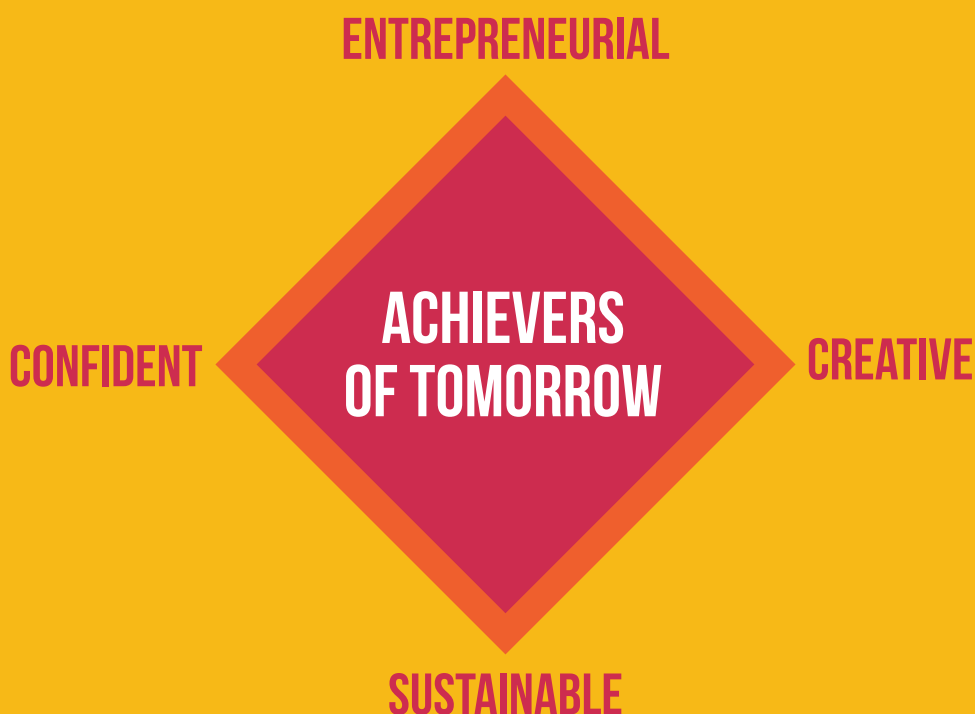

Which empowers school graduates to be cognizant, sensitive, reflective and participative.

Who take pride in themselves and the nation, to impact and influence a changing society.

Where continuous teacher development fosters a collaborative learning community.

GROWING UP AT AMBER VALLEY

INTO THE WILD

Every day at AVRS brings nature-filled adventures. A forest hike uncovers hidden trails, cycling around campus stirs excitement, and a friendly marathon builds stamina, while fishing teaches patience and joy in simple moments.

GROWING AN ENTREPRENEURIAL MINDSET

Strategic partnerships bring real-world experiences into the classroom. Collaborations with leading companies foster financial literacy and business acumen, while the Harvard Certification Program nurtures innovative thinking and problem-solving.

Industry mentorship from professionals such as Maya Chandra gives students real-world exposure, sharpening their creative, strategic, and storytelling skills to thrive in the fast-changing world of media and communication.

SPORTS

Here, play is pure happiness in motion. With hills, ponds, and open skies all around, our playgrounds invite students to move freely, laugh loudly, and discover the joy of being active in nature's embrace. Every game becomes a moment of energy and togetherness — and for those who show special talent or passion, dedicated coaching helps them chase their dreams with confidence and delight.

ADVENTURES UNDER THE STARS

As the day winds down, discovery continues. A lakeside stroll offers peace, while football ignites friendly energy. Floodlit matches light up the night, and movies at the amphitheatre bring everyone together under the stars.

The evening ends with a sizzling barbecue and stargazing through telescopes—heads tilted to the sky, dreaming of tomorrow's adventures under a cosmic canopy.

GROW WITH NATURE

Bringing students out of the classroom to care for the environment. From practising recycling during Craft classes to planting trees and composting, every child at AVRS finds delight in becoming one with nature.

JUNIOR SCHOOL (GRADES 1–5)

Children need nurturance, like plants. So they are encouraged to have fun and learn at their own pace. Balancing academics with interactive activities that encourage curiosity and friendship, to help them grow into happy learners.

- Hands-on and experiential ICSE curriculum
- Holistic development
- Skill-building, teamwork and creativity
- Strong foundation for reading, writing and math
- Sports, arts and club activities

10:1 STUDENT-TEACHER RATIO

MIDDLE SCHOOL (GRADES 6–8)

In middle school, your child learns with excitement and discovers a happy world where they get to grow independently. Encouraged to think critically, develop self-reliance and build lasting relationships with peers and teachers alike.

- ICSE curriculum
- Learning life skills and social awareness
- Leadership programs and guest lectures
- Science fairs and creative exhibitions
- Sports, arts and club activities

10:1 STUDENT-TEACHER RATIO

SENIOR SCHOOL (GRADES 9–12)

In senior school, students build on their strengths, tackle challenges, and learn with precision. Strong academics, supportive faculty and networking opportunities inspire every student to grow with confidence. Preparing them for the road to Harvard.

- ICSE curriculum with focus on STEAM and critical thinking
- Robust preparation for Grade 10 Board Exams
- Science, Commerce and Humanities streams from Grade 11 onwards
- Career counselling and mentoring
- Sports, wellness and club activities
